Make a notes for the Classic Computing 2018!

When: 21.09 to 23.09.2018

Where: Degmarn (near to Heilbronn / Neckarsulm)

After the CC 2017 was a joint event with the Vintage Computing Festival Berlin and was designed to maximize publicity, the CC 2018 will be again a "meeting of the nerds".

The venue allows a lot of initiative and great freedom in the design.

Details will be announced soon.
